DEFENDER 22MY

V8

22MY sees the introduction of the 525HP V8 powertrain. This halo powertrain brings new levels of performance, agility and driver engagement both on and off road to the Defender pillar.

Offering 625Nm of torque, and capable of 0-60 of 4.9 seconds (90) or 5.1 seconds (110), along with a top speed of 149mph (240km/h), this vehicle goes head to head with the likes of the Mercedes G63 AMG from a performance perspective whilst delivering superior usability, practicality and off-road capability.

A comprehensive range of unique exterior and interior design elements ensure that this vehicle stands out from the rest of the Defender range.

V8 Interior Design - Dinamica® Suedecloth

V8 features a unique Windsor Leather and Dinamica® Suedecloth seating option. This elegant, luxury technical fabric provides softness and natural comfort and is made from recycled materials.

This abrasion and tear resistant material is derived from recycled polyester and PET, the manufacture of which reduces energy consumption and CO2 emissions into the atmosphere by 80% when compared to traditional production processes.

DEFENDER 22MY

V8 Carpathian Edition

The V8 Carpathian Edition is the definitive halo Defender. Based off the Defender V8, it is the ultimate combination of performance and tough exterior looks.

Exterior enhancements over the standard V8 include:

- Carpathian Grey Premium Metallic Paint with Satin Protective Film as standard.
- Gloss Black Bonnet
- Gloss Black Taildoor
- 22" style 5098 Gloss Black alloy wheels

DEFENDER 22MY

XS Edition

22MY sees the reintroduction of the XS badge to the Defender range with the new 'XS Edition'.

This new derivative offers unique features and a desirable specification at a compelling price point, effectively replacing First Edition in the Defender range.

XS Edition is positioned in the heartland of Defender volume just above the SE specification but with brand new and unique exterior content not available anywhere else in the range.

Available in both 90 and 110 bodystyles and with a choice of the following powertrains:

- D250
- P400
- P400e (110 only)

DEFENDER 22MY

XS Edition

Exterior enhancements:

- Body Coloured lower body cladding and lower wheel arches replacing the standard gloss black or grained black plastic
- Exterior palette: Silicon Silver, Gondwana Stone, Hakuba Silver and Santorini Black
- Gloss Black bonnet finishers
- Unique VIN plate

DEFENDER 22MY

PRODUCT DETAIL

DEFENDER 22MY

Extended Black Pack

Following great demand since reveal, we are pleased to announce extended black pack is now available.

Featuring gloss black front and rear skid plans, badging, wheel arch and lower door cladding this pack now allows customers to configure the stealthiest and most aggressive looking Defender possible.

This pack is available on X-Dynamic, X and V8 derivatives only, and replaces the Black Exterior Pack on these derivatives.

The standard Black Exterior Pack remains available on core vehicles with the same content as 21MY.
